

# Ethics Team

April, 2018 Updates

## New Resources Available

### *Four-Way Test*

What separates Rotary from other clubs and services organizations? It's the Rotary Four-Way Test! The Ethics team has a new video available to help you elevate the Four-Way Test in your community.

Check out other Rotarians sharing thoughts and ideas about living and sharing the Four-Way Test. Watch it on our district web site at [programs/vocational service/ethics](#). The video runs about twenty minutes, just right for a club program. Share it and get ideas rolling in your club!

### *Policy Regarding Harassment and Discrimination*

District 5960 Board of Directors has approved an updated *Policy Regarding Harassment and Discrimination* for clubs. The policy provides guidance and procedures to follow if discrimination and/or harassment occurs in your club. Find it on the district web site on the ethics committee page: <http://bit.ly/District5960-HarassmentDiscriminationPolicy>

### *What's Next?*

The team plans to:

- Encourage clubs to review the video and find ways to elevate the Four-Way Test in their communities
- Continue to collect and share stories about clubs elevating the Four-Way Test
- Develop programs about Harassment and Discrimination
- Define the team guidelines and procedures

***We welcome new members! Send us an e-mail!***

## District 5960

The video is just the beginning. Tell us how your club elevates the Four-Way Test in your community!

We want to share your club stories to help others elevate the Four-Way Test.

Send us an e-mail-let us know what you're doing!
