DISTRICT 5960 AWARDS CRITERIA FOR ROTARY YEAR 2018-2019

District Rotarians,

This is our second year of the new District 5960 Awards Program. The 2017-18 Awards Program was well received and used by a large number of clubs in District 5960. These awards and their criteria were developed by a team of Rotarians last year and modified this Rotary year. I'd like to thank the team that put these awards together, and will be charged with promoting them to you and your clubs throughout the year: Team Leader Mitch Popple, Cathy Quinlivan, Chris Kost, Lynne Megan, Newell Krogmann, Ron Linde and Gerry Tietz.

While the inaugural year was a success, issues of the how and why of the Awards Program are being answered by this team. This year the team will be offering coaching to clubs on how to submit and why. There will be an electronic version on the District 5960 website that will allow you to print the booklets at your convenience or the ability to electronically enter on the website. Additionally, there are many in the district ready to help you besides the Awards Team, there are District Governors, Assistant Governors and Board of Directors you can use as a resource.

Past Governor Kyle Haugen spoke to the Awards Program importance in a few points:

- 1) Acts as a **Roadmap** for Clubs: You don't have to reinvent the wheel to determine what you should focus on during the year- these awards provide suggestions on how to be a successful club!
- 2) **Objective** Criteria: It helps put all clubs on a "level playing field" for consideration for the awards
- 3) Allows for **Recognition** for a job well done: When your club does something well, you deserve to be recognized for that, and this provides a way to say "Good Job!"
- 4) **Friendly Competition** means we all win: By doing more within our clubs, the benefactors of our efforts are the real winners!
- 5) It's **FUN**: We all belong to Rotary because we enjoy it, so let's make sure we're having fun as we make a difference!

The Awards Program does acknowledge the accomplishments of clubs in the district but it is much more than that. It is a great tool for everyone in your club to see and be aware of the great things being accomplished during the Rotary year. As you look through the Awards list, do not look at it as short comings but rather as goals. I think you will find your club has accomplished many things and that not only your members be made aware of this, but all of the district as well and lets celebrate those great things that have been done.

Rotary's theme for 2017-18 was: **ROTARY: MAKING A DIFFERENCE**. Rotary's theme for 2018-19 is: **BE THE INSPIRATION**. So as you make a difference, inspire others to do more. So as we inspire more to do more, lets be **AUDACIOUS** and tell the world around us of the good that we as Rotarians are doing. "If you want to change the past, touch a rock, If you want to change the present, touch a flower, but If you want to change the future, Touch a Life!"

Best wishes in the upcoming Rotary year. I look forward to celebrating all that your club has accomplished at the 2019 District Conference of Clubs being held April 11-12 in Rochester at the newly built Mayo Civic Center.

Sincerely,

Mike Becker
District 5960 Governor, 2018-19

VOCATIONAL SERVICE AWARD (Due March 15, 2019)

As business leaders, Rotarians share their skills and expertise through vocational service, one of the Five Avenues of Service. Your vocational service efforts can play a vital role in improving the quality of life for those hardworking members of the community who need direction and expertise. A vocational project can involve any of a number of vocational service activities - mentoring, career days, vocational awards, adult literacy, business assistance, networking events, or even talking about your job at a club meeting. Through these activities, you can turn your experience into an invaluable resource for others.

COMMUNITY SERVICE AWARD (Due March 15, 2019)

Service defines Rotary's character; whether local or international, it promotes Rotary's appeal and visibility in the community, and is the reason Rotary continues to grow. Community service responds to the needs of a local community. Rotary clubs should determine top priorities for service projects by first learning about a community's needs and assets and then developing a response that addresses them.

An effective service project:

- Responds to a real issue, not an imagined one
- Improves the lives of community members
- Incorporates the abilities of those who are served
