<sup>1</sup> BOD action April 2010

<sup>2</sup> BOD action April 2010

<sup>3</sup> Per DRFC Minutes May 2011

<sup>4</sup> DGS Minutes June 2010

<sup>5</sup> NCPETS Operating Guideline reads: "The governing body of North Central PETS shall be the Board of Directors, comprised of the current District Governors-Elect (DGEs) from the districts involved."

<sup>6</sup> NCPETS Operating Guideline reads: "The day-to-day functioning of NCPETS is the responsibility of the Full Leadership Team. It shall consist of at least one Past District Governor (PDG) from each of the participating districts." Please Note: The "at least one" PDG is not restricted to a PDG-1. It could be any interested and available PDG. Current NCPETS is comprised of 4 districts. The position of General Chair is fulfilled by a PDG with an anticipated rotation of every fourth year. D5960 will be expected to provide a General Chair in the years 2010, 2014, 2018. In accord with the Guideline, "The host district shall appoint the PDG who has completed his/her year serving as District Governor at least one full year prior to serving as General Chairman—e.g. the PDG for 2005-06 served as 2007 Vice Chairman and 2008 General Chairman. This will allow the individual time to complete their full year as District Governor and then move in to the position of Vice Chairman prior to taking over as the General Chairman."
